Prompting A Chatbot

· MOST details as possibe

    ex- where   backgroud
        when   context
        who
        what
        how

Make   a   paragraph

elaborate!   Be Indirect

In class, we asked the bot with many details and we got a simplified & personalized response. Even gave an example with a dialog, and some tips.

When using bots

1.) Do you like the format?

Claude is more ethical, so emotional responses are harder

The purpose / meaning of life on Earth

Campfire act

they were at a campfire and Nate followed the shiny thing.

With him following, he went out side his enviorment & met new people & found new things

he wants his friends to come too.

he notices his friends are chained down, he trys to break them but they say no.

he gets mad, and tries to get help. his buddy is trying to help.

They are scared of him, they won't come out.

Then he gets the Shiny Object.

He tried Logic.
tried emotion.

Shiy thing = Want, desire Something = you can't have
Curiosity
ex: Cars, money, Status

he = Knowledgable person
(in pursuit of)

People in Cave = everyday Society
Cave = ignorance = pursuit of a life lived in pursuit of Self-again
- Circumstance
- easier?
- fear?
- veiws?

Chains = glamour, wealth, Status

1. Logic - logic   2. Pathos - emotion

3. Ethos - Credibility

I chose, Not everyone can choose
to leave the cave

modern } Homework
examples }

- the person does not have will power/ambition
  - thats their problem, Lazy, unmotivated
    L> ex. gypsy Rose
         Beyonce
- People who are mentally ill   Micheal B.
    mentally ill   Halsey
    disabled
    Poverty
    victims of Abuse
    Race
- Religon / cults
